Who is the Archangel Michael? The Holy Archangel Michael is probably the most famous angels ever. One of his early name was "Prince of Peace" and the expression as "angels of love" has been attributed to him. His name means "Who is like God" and includes a question that gives us clues about the spiritual nature of this Archangel.

Archangel Michael is a goalkeeper and a guide to help people on their spiritual path. The element of fire is assigned to this angel and you see him often equipped with a flaming sword to keep the dark forces at bay. His strength is his strong and intense presence, cleans his light and gives mental clarity. He is a spiritual director, directs people to the spiritual development of their way to Christ nature. Archangel Michael is a protector of the people and whenever you're mentally afflicted, you can call him and ask for help.

What can the Archangel Michael do for us? Archangel Michael is an angel of light. His nature is like the nature of the sun - bright and fiery, he confronts us. It corresponds to the Greek Apollo, the Mithras in ancient Persia, the Indra of ancient India ... Again and again he is the shining light with many names, which reveals the darkness overcomes light and the divine nature and protected.
