The word satsang comes from Sanskrit and means "coming together in truth, with an enlightened master." Satsang in India has an ancient tradition, since awakening and enlightenment have always been very natural happened. Great things like a miracle by Satsang in recent years anywhere in the world. Satsang has received a new quality that is entirely free from certain forms and descriptions. I learned from and after Satsang recognizing my true nature and feel in what is satsang, the most precious and powerful gift for awakening people to Vergebung is us. Satsang is universal, not limited to India or Hinduism. There are many satsang teachers, representatives of Advaita Lineage. Satsang will starve but also beyond. Satsang is through the in and find out what our true nature, our essence is - nothingness, emptiness, everything. These are words, and makes the mind to starve any ideas. What we really are, is not with the limited understanding FABAR and can never be experienced within the mind. DAS, what can we ARE only learned of from HIS. We do the same in Satsang mystical experience as did Buddha, Christ and other mystics awoke. Buddha called it enlightenment and the "end of all suffering." Christ called it "the entrance into the kingdom of God." Satsang, free from the illusion of a separate Persönlichkeit and thus also of all the variations of the disease, the Persönlichkeit, it is even produced, not by .. By Satsang life is easy and simple. Through the experience of BEING in its immensity creates a Gefühl of silence, freedom and peace. By Satsang is experienced as we silence, freedom and peace ARE. We come together in Satsang and let us surprises, what emerges from the silence of being together all natural. If you bring any questions or problems, wonderful, then let us examine them. If you have any questions, wonderful, then we la moment of silence and the genieen BEING together. Welcome to truth and love!
