Autor/in: [Systemischer Lebensberater, spirit. Coach Wolfgang Kaschel](#)

What is Astro-coaching session? Using a combined method of astrology, symbol work (Tarot), and psychology, we can see within a short time, exactly where you stand in different areas of life.

We also find out the areas in which you can use your power effectively, or even should. Such positioning is possible with the so-called astrosophy.

The astrosophy shows the expression of the human psyche and the needs of the soul. You are at a certain time, during a certain planetary alignment came to this earth. These influencing factors on your development, your character, your mission in life is brought into this relationship with your impressions and acquired programming. Opportunities, as well as open up blockages are usually very clear.

The Astro-coaching session Tarot cards are not a "card game", but a vivid realization of the spiritual heritage of the ancient Egyptian god Thoth, almost a relic of the "Book of Thoth", and a visual interpretation of the Kabbalah. Here, both the symbolism of the Hebrew alphabet, and the four unpronounceable name of God and the Ten Sephiroth (degrees of perfection) is converted into images.

We then put together by Rider-Waite Tarot cards undbesprechen your house system in detail the symbolism and parallels to the current situation in your Entwicklungswegund which you find yourself. Since the information that is expressed inthe laying, already knowing the ever-present, morphic field are available, all solutions are also available and need only be realized by you. My food for thought to be as large as possible to support and inspire you.

The method itself comes from Carinthian Rosmarie, more on this at their web address [www.tarastro.de](http://www.tarastro.de)
