The word Karma is a Sanskrit word and it wrtlich unit Indeed, the word crisis is rooted in the concept, which means work. Karma astrology, horoscope before - karma, numerology, tarot and reincarnation therapy ermglcht us a glimpse into our past to throw and to understand it - capture the meaning and goal of our earthly existence-between. The view back to results may be more risky Fri few! Because, we reveal what is in each one of us and what was perhaps not yet completely processed. The infinite chain-tion of death and rebirth, in which all existence is the cause of the nchsten and a consequence of the previous one. Therefore, the last life is the most important, the last connection to the frheren experience, the synthesis of a long road. So be rebirth-reincarnation suggests. Death is not the end of life, but a transition into the other Realitt.The most important thing we should not forget mssen understand, however, is that zusammengehren the two concepts, karma and reincarnation, and You must be understood in a context. Karma means the sum of all the deeds of us in all walks of life, which we had so ... Soul experience. It is a result of all the things that we did in life and also our ancestors. Our actions seem, then, - and all deeds, and the thought and then not corrected deeds. Everything we do has consequences, and past actions affect our present life also. Life is a school and we have to learn here. Life is development, not only in vordergrndig earthly sense, but in the sense of another horizon, which extends over periods of time. ! Karma lives in our soul because the soul believes only what she knows and is always a right dar.What was our real existence as before, which lives on, as the experience that we do exist in our mssen. Karma is something that one should be free! This does not mean that we only pay off debts and mssen ben FR Our Sins, and to carry heavy loads have! Karmically will be less for a man, but by his Sins "punished", whose consequences he has to pay for it. So the judge is addressed in ourselves no god, or no universe will punish a man, or do something! There are warnings that show us the right path in life. By disease, for example. If we behave badly, or wrong, we do not our conduct of gunpowder and stay on the "bad" way, despite warning, then we get ... each what he deserves. There are cosmic HHer instances REGULATIONS Watch the the rebirth of a soul or even draw.So, there is no punishment, no guilt and no Sins. We are only measured, not condemned. God or the universe is love, and Lie-be never punished! We create our own karma, and we all knnen auflsen this even yourself! We are also here to genieen the Fruits of our good deeds. There are also good, positive Karmic relationships and that is what a wonderful! There are various types of karma. Do not worry, karma is not necessarily something negative, we have our own lives in hand, we have delivered our fate, but free to decide knnen. Ask yourself what is the target of a cycle? Where is the karma when there is no permanent soul?
